

TYPICAL SECTION PCC GUTTER
For Temporary Turn-Around

NOTES:
 1. All construction shall conform with City of San Bernardino, State of California, and Department of Transportation (DOT) specifications for the design and construction of streets and related facilities.
 2. The contractor shall be responsible for obtaining all necessary permits and for the construction and maintenance of all utility lines, including but not limited to water, gas, sewer, and electric lines, and for the protection of existing utility lines.
 3. The contractor shall be responsible for the construction and maintenance of all curbs, gutters, and sidewalks, and for the protection of existing curbs, gutters, and sidewalks.
 4. All construction shall be completed within the specified time frame and shall conform to all applicable laws, regulations, and codes.
 5. The contractor shall be responsible for the construction and maintenance of all traffic signs and signals, and for the protection of existing traffic signs and signals.
