

Scale 1/4" = 1'-0"

- GENERAL NOTES -**
1. All work shown on these plans shall be done in conformity with the City of San Bernardino Ordinance No. 2370, amended.
  2. All heights and elevations shall be indicated on the plans in feet above mean sea level, unless otherwise noted.
  3. All lines connecting the sewer to other buildings shall be determined by the field engineer and shall indicate the location of the connecting sewer to be constructed, shown on the plans by a dashed line.
  4. Manholes shown and shown to be constructed by sewer companies shall be shown on the plans and shall indicate the location of the manhole and the depth of the manhole.
  5. Sewer lines shall be shown on the plans and shall indicate the location of the sewer line and the depth of the sewer line.
  6. Sewer lines shall be shown on the plans and shall indicate the location of the sewer line and the depth of the sewer line.
  7. Sewer lines shall be shown on the plans and shall indicate the location of the sewer line and the depth of the sewer line.
  8. Sewer lines shall be shown on the plans and shall indicate the location of the sewer line and the depth of the sewer line.
  9. It shall be the responsibility of the contractor to coordinate the work with the utility and any underground facilities shown on the plans and to be shown on the plans.
