C. O. Poole, being duly sworn, says he is the engineer of The Southern Sierras Power Company; that the foregoing notes of surveys are a true and complete copy of the field notes of an actual location survey made on the ground under his direction as engineer of said Company, and under its authority; and that all of said notes and no others were used in the preparation of the map filed together herewith and marked Exhibit "B".

C.O.Poole
Engineer.

Subscribed and sworn to before me this 16 day of January 1912.

Sara A. Montgomery
Notary Public.

I, Delos A. Chappell, do hereby certify that I am the Vice-President of the Southern Sierras Power Company; that C. O. Poole, who subscribed the accompanying affidavit, is the engineer of the said Company; and that, in accordance with the regulations of the Secretary of Agriculture, the foregoing notes have been prepared to be filed as Exhibit "C", of an application of said company, dated January 16th, 1912, and bearing my signature as Vice-President of said Company.

Delos A. Chappell
Vice-President of the Southern Sierras
Power Company.
