

NOTES:
 1. All construction shall be in conformity with City of San Bernardino, State of California, Specifications No. 2271, Standard Specifications for the Design and Construction of Improvements in Public Streets, Alleys, Ways, and in New Subdivisions.
 2. The contractor shall acquire interest with the location of all utility installations and other improvements within the contract area and take the necessary precautions required to avoid damage to such utilities and other improvements.
 3. The existing landscape of the intersection of this street line on the east and west sides of Alameda Street shall be preserved and the construction shall be completed as shown hereon.
 4. A fire sewer line shall be installed from 8' sewer line to property line.
