

TRACT 4931
CITY OF RIALTO CALIF.
Subdivision Improvement Plans
Submitted for Approval By
Earl W. Lyman, L.L.S. 1084

APPROVED BY: _____ Date: _____

GENERAL NOTES

Elevations based on Rialto BM, a chiseled X on end of curb at S.E. corner of Acacia and Bonnie View. Elev. 1184.47.
Manholes, curb and gutter and sidewalks shall be constructed on all streets.
Improvements shall be constructed in accordance with Rialto City Specifications or as directed by Rialto City Engineer.
Sewer manholes shall be constructed to an Elev. 0.5 Ft. below Ebbitt street grade, and upon completion of pavement, the paving contractor shall adjust said manhole tops to finish grade.
